Sally Robertson - Profile

Sally Robertson
Instructing her
Pastel Class

Sally is lifelong Alaskan. She has worked and studied with many famous artists, including Norman Lowell. She brought her talents to the Senior Center in 2010 when she happened by the Art Room and asked if anybody wanted to learn her techniques in pastels and oil painting. The painting group was ecstatic and Sally offers these classes at no charge to the students. Sally's students sing her praises as a wonderful person and excellent teacher. Come and take a look at her student's work or, better still, join the class. Thank you Sally!
