New Business

Staff Benefits Changes: Dave Kaufman, Benefits Specialist, discussed how he has been working with Cathy Lee to obtain the best possible benefit plan offered to Staff at ASAC. The new plan will save about $10,000 year and will position the Center for changes that will be mandated by the Affordable Care Act. The changes will take place on August 1, 2013, and have been discussed with staff. He is also looking into a simple retirement/pension plan for staff, which will probably be a pre-tax, optional program.

Reports:

Vice President (Bud) – Bud presented a conflict of interest policy, which is required for recertification. Trustees and Board members, as well as certain key employees, are required to sign a statement that goes with this Policy, and these should be returned to Tony, Board Secretary.
Bud also presented a handout with information for nominees to the Board of Directors, including basic information, qualifications, duties and a code of ethics.

Secretary (Tony Barrett) – Tony reminded everyone that there is a cut-off date of August 1 for nominees for the Board of Directors. Gordon reminded Board members that a new President will need to be selected.
Treasurer (Don Simmons) – the 2013 budget continues to be problematic, and either additional revenue must be raised or expenses need to be lowered. No new programs have been started, but some programs have been operating at a loss.

Medicare grant – instead of the Center getting the grant directly this year, it has gone first to the MOA, and will take approximately 6 weeks from the starting July 1 date for funds to be given to ASAC, leaving the program unfunded for that period. **Don moved that the Center extend a line of credit to continue this program for up to 6 weeks; seconded by Fritz and approved unanimously.**

Executive Director (Cathy Lee) – A full Director’s report was handed out at the Board Meeting. The following is a summary. Judy Joseph reported that sales at the Saturday market have been between $165 and $375 per week. She is considering consignment for some items, like leather jackets, that have not sold at the Gift Shop.

Membership information – there is currently no good way to record who uses the center, and for what purpose. This led to a discussion of security issues, since there have been several thefts of material and equipment. A grant is being written to provide both inside and outside surveillance cameras, and there was a discussion about possible changes to the entrances that might provide better information and control.

At 3PM today, Governor Parnell will be at the Center to sign HB59, an act relating to prompt response and notification plans for missing vulnerable adults. Board members were urged to attend.

Endowment Trust (provided by Cathy Lee, in Keith Green’s absence) – We are still awaiting a large bequest made last year. The current fund balance is $2,706,844.

Municipality – Lynda Meyer reported that she is leaving MOA in August for a position Outside. Her position has been posted and it is hoped that her successor will be at the August meeting. A card and gift was presented to Lynda in appreciation of her service to the Center.

Committee reports

PR/Marketing committee – Maria James has made contact with the chair and is still trying to meet with her. Both Maria and Tony have volunteered to be on the committee but if no chair is identified by the next Board meeting, the Board will look for another person.

Fitness committee – the Fitness program is doing well, with high numbers of participants in the various classes.

Membership committee (Tony) – Tony is still working on a draft script to be provided to medical providers who deal with seniors that includes an invitation to become a member of the ASAC complimentary for one week. There will be an Open House in August, date TBA.

President – Gordon met with Larry Baker, the senior liaison to the Mayor. Comments were supportive, but no benchmark was set for funding. Test cases will be security cameras and recertification expenses.
Report from the Recertification Committee

The Recertification committee has packets ready for 9 different areas where information gathering is needed. Holly did not have a complete list of these at the meeting, and will e-mail or otherwise get copies to Board Members.

Each Board member is to tell Bud what committee they would prefer to be on by the end of July. If they cannot be on a committee, they are to submit their reasons in writing. Any member that has not chosen a committee by the end of July will have one assigned. Volunteers from among the membership will be welcomed on the various committees.

Old Business:

Finance Committee –Don moved, and Jeanne seconded, that the Finance Committee report for May be accepted; this was approved unanimously.

Persons to Be Heard:

Maria James has prepared flyers for “Jul’-Yule”, a fundraiser the Center is doing with Kiwanis/Salvation Army for baskets of gifts and food for low income seniors.

Additional New Business

There are no sponsors for a 30th anniversary celebration; Betty continues to try and contact GCI. A sum of $1500 is the goal.

Board Comments

Tonja complimented the volunteer landscapers for the beautiful plantings around the Center.

Peggy requested that Sue (Center staff) and Bill Mans get together to discuss the employee health insurance tax credit. Don will provide additional information to Bill.

Adjournment:

At 11:58AM, Tonja moved and Jeanne seconded adjournment; this motion passed unanimously.
