Outreach Committee: Wanda Peel:

Interfaith council will start meeting again in October. The Equity and Compliance committee of ASD, is asking for the renaming Fairview Elementary School to honor Bettye Davis. Anchor Rides will offer grocery delivery to those who qualify.

Bible study going along well. The Statement of Principles Project survey is back, and the report was given to the board. The overwhelming tone is seniors saying open please, they really tell you what they need, contain what the minority members talked about culture. The survey will be printed in the September Borealis, anyone can respond, deadline is Sept 21st. It is good that people want the Center to be known as where we do what is right. Wanda received a phone call from a retired PhD and people want to talk, want to connect with each other, thank everyone for help. Gordon praised Wanda for a very productive report.

Tom suggested follow up on the results.

Wanted people to look at it first but then we need to find what we need to follow up on and what we will do next. Suggestions will be given to Becky and Executive Committee.

Wanda Peel moved to support the renaming the Fairview school to the Bettye Davis Elementary,

Mary Shields seconded, accepted unanimously.

Wanda will write a letter of support.
